SARAJEVO 2026 OPEN

Otoka Olympic Pool

U sportu smo svi jednaki - svi plivamo u istom bazenu.

ParaSwInclusion je projekat koji kroz sport, konkretno plivanje, promoviše potpunu društvenu uključenost osoba s invaliditetom. Njegova centralna ideja je da sport briše razlike i da se osobe s invaliditetom i bez invaliditeta mogu takmičiti zajedno, ravnopravno i bez diskriminacije.

Glavni događaj projekta je regionalno plivačko takmičenje Sarajevo Open, koje se organizuje kao potpuno inkluzivna manifestacija. Takmičari se ne razvrstavaju prema invaliditetu, već prema plivačkim vremenima, čime se naglašava sposobnost, trud i sportski rezultat, a ne fizička razlika.

- ✓ Takmičenje je potpuno inkluzivno.
- ✓ Nema razvrstavanja po vrsti invaliditeta.
- ✓ Primjenjuju se važeća međunarodna plivačka pravila.

CILJEVI PROJEKTA

- Povećanje društvene integracije i vidljivosti osoba s invaliditetom
- Promocija redovne fizičke aktivnosti
- Jačanje regionalne saradnje zemalja Zapadnog Balkana
- Promocija vrijednosti: jednakost, tolerancija, timski duh i poštovanje

Pozivamo sve plivačke klubove, para plivače, sportiste bez invaliditeta, trenere i rekreativce da budu dio jedinstvenog inkluzivnog sportskog događaja u regionu.

In sports, we are all equal – we all swim in the same pool.

ParaSwInclusion is a project that promotes full social inclusion of persons with disabilities through sport, specifically swimming. Its central idea is that sport removes barriers and that people with and without disabilities can compete together, equally, fairly, and without discrimination.

The main event of the project is the regional swimming competition Sarajevo Open, organized as a fully inclusive sporting event. Athletes are not classified based on the type of disability, but according to their swimming times, emphasizing ability, effort, and athletic performance rather than physical differences.

- ✓ The competition is fully inclusive.
- ✓ There is no classification by type of disability.
- ✓ Official international swimming rules are applied.

PROJECT OBJECTIVES

- Increase social integration and visibility of persons with disabilities
- Promote regular physical activity
- Strengthen regional cooperation among Western Balkan countries
- Promote the values of equality, tolerance, team spirit, and respect

We invite all swimming clubs, para swimmers, athletes without disabilities, coaches, and recreational swimmers to be part of a unique inclusive sporting event in the region.
